Professional Indemnity Insurance

Catlin Select offers comprehensive professional indemnity insurance coverage for small to medium-size companies and professionals.

Our priority is protecting your clients' business. We realise that prompt and careful handling of a professional indemnity claim can both save the client time, but perhaps more importantly help preserve reputation and business relationships.

Catlin underwriting and claims specialists strive to resolve situations at the earliest opportunity and with the least possible disruption to your clients' business.

Catlin also offers brokers an online quote and bind system, based on statements of fact. We offer free instalments with online placements. Civil Liability Wording is utilised for most classes including miscellaneous.

Catlin Select policies can be written for the following business classes:

- Accountants
- Construction-related risks (fees under £500,000)
- Estate agents
- Information technology
- Management consultants
- Media
- Miscellaneous
- Solicitors (excess of £10 million)
- Excess layers
