

Catlin Asia Shanghai

Our Products and Coverage

Through Lloyd's China Re Platform, Catlin Shanghai share the syndicate's capacity in London. Our main focus is on risks with Chinese interest, either in China or overseas. We currently have the highest rating in China's reinsurance market and can accept business in RMB.

We write reinsurance on various lines with concentration on the following:

General Liability

- Comprehensive General Liability
- Exports Products Liability (Inc exports to US/CAN/AUS)
- Products recall/guarantee

Energy

- Offshore construction
- Control of well (as part of a package or standalone)
- Operational packages (PD, BI)
- Energy liabilities

Fine Art and Specie

- Fine Art Exhibition and Transit
- Jewellery blocks
- Transit of Cash and precious metals/stones
- Private collection

The other lines that we cover and/or are currently developing include Marine (Hull & Cargo), GA, Terrorism and War. Please feel free to contact us if you have any specific inquiries.

Linmao Li
Director of Underwriting
Shanghai

Linmao started his insurance career in London market in 1999 after graduation from Peking University with degrees in Economics-French and Law.

Over the last eight years, he worked in three major business groups within Catlin with focus on the following classes of business with worldwide portfolios: CGL, Energy and Terrorism & War. He also spent time in Catlin offices in Singapore, KL and Hong Kong to gain knowledge and experience in these markets.

Linmao is ACII qualified and has an Executive MBA from London Business School.
