

Catlin

General Aviation – Guernsey Office

Underwriting Appetite

With global coverage, Catlin is able to quote and support a diverse range of General Aviation risks including:

- Fixed-wing and rotor-wing
- Industrial aid
- Charter operations
- Utility operators
- Private aircraft
- Training schools
- Military risks
- Float planes
- Gliders and balloons

Coverage

- Hull All Risks
- Liabilities – including Incidental Liabilities; Premises, Products and Hangar-Keepers Liability.
- In-Flight Personal Accident
- Hull War Risks

Catlin also has Aviation underwriting teams situated in the following cities:

- Calgary
- Cologne
- London
- Paris
- Singapore
- Sydney
- Toronto

With an emphasis on accessibility and service, we understand the importance of building close relationships with brokers and clients by being located in their geographic region. Through this philosophy Catlin develops a greater understanding of clients' individual needs and requirements.

Furthermore, Catlin also has the capacity to underwrite 100% of aircraft values up to US\$10m any one aircraft and combined single liability limits up to US\$100m any one occurrence. Alternatively, on a co-insurance basis, a leading market participation can be written on aircraft values and limits at a far higher level.

In support, Catlin has an extremely capable claims team, ranking highest amongst its peers in an independent poll of London Market brokers. Our claims staff based in London, Paris and Toronto has the ability and experience corresponding to our leading underwriter position.

Nic Vine
Senior Class Underwriter
Guernsey

Nic started his insurance career more than 20 years ago in the non-marine reinsurance claims department of Leslie & Godwin as a claims broker. He moved to Syndicate 780, B.F. Caudle Holdings, as a Non-Marine Underwriting Assistant. In 1989 Nic accepted a position with aviation insurance manager Transglobe Underwriting Management in Guernsey and was involved with all aspects of aviation insurance. He then joined Ortac Underwriting Management, as a General Aviation Specialist underwriting vehicle sponsored by Gerling Konzern in Germany. He joined Catlin in July 2005 as a Class Underwriter for the General Aviation account in Guernsey. Nic is a member of the General Aviation study group of the International Union of Aviation Insurers.
