Coverage

Catlin began writing US Healthcare Professional Liability insurance in 1994 and has established itself as a significant lead in the London Market. Catlin currently leads approximately 70% of business written by both premium volume and risk count.

This experience has enabled Catlin to trade through underwriting cycles and ensure stability for its clients irrespective of the market conditions prevailing. Catlin's healthcare expertise stands out amongst its peers due to its ability to offer solutions throughout the healthcare industry, irrespective of the size and complexity of the risk.
